## ANNOUNCEMENT

January 22, 2020

**THE STATE OF ALABAMA DEPARTMENT OF HUMAN RESOURCES (DHR) WILL RELEASE A REQUEST FOR INFORMATION (RFIs) FOR ENTERPRISE ACCOUNTING SYSTEM ON FRIDAY, JANUARY 24, 2020.**

The ALABAMA DEPARTMENT OF HUMAN RESOURCES, (hereinafter referred to as “the Department” and “DHR”) seeks information from vendors on customizing and implementing an **Enterprise Accounting System (EAS)** to support general accounting and financial management functions for the Department’s county offices. DHR currently utilizes a legacy mainframe accounting system (LGFS) for its county financial management and accounting. This system is scheduled to be retired within the next 18 months. DHR is seeking a replacement system that will handle all of the accounting functions and provide a user-friendly interface for staff who use the system in its (67) counties and annexes.

A more complete description of the services sought for this project is provided in *Section 2.0, Scope of Project*. Responses submitted in response to this solicitation must comply with the instructions and procedures contained herein.

Electronic copies of the RFI will be available by 5:00 p.m. on January 24, 2020. To access the RFI, go to the Department’s website ([www.dhr.alabama.gov](http://www.dhr.alabama.gov)). Click on the RFI link for the title listed above under ANNOUNCEMENTS, or click on Requests for Proposals under QUICK LINKS, then click on the RFI link for Enterprise Accounting System.

If you are unable to access the RFI after its release using the aforementioned information, immediately notify Vicki Cooper-Robinson ([vicki.robinson@dhr.alabama.gov](mailto:vicki.robinson@dhr.alabama.gov)) via email.
